SHIP BUILDERS & C<sup>o</sup>.  
TOPSHAM.

Topsham March 6<sup>th</sup> 1876

This is to Certify that  
Fred<sup>r</sup> Lee Mallett served  
us as an apprentice for  
seven years during which  
time he was well conducted  
sober, honest and industrious  
and added to this he  
was a very good work  
man and we have much  
pleasure in recommending  
him to the Dockyard Au-  
thorities and believe they  
will have in him a  
first class man.
